Online Holy Week Series from the Holy Land

We celebrate Holy Week with presentations and reflections that mark the significance of each day of Holy Week according to various traditions of the Christian churches of the Holy Land. We begin with Palm Sunday on the Mount of Olives and end on Holy Saturday in the Church of the Holy Sepulcher with a special focus on the Holy Light. Each daily session will conclude with some spiritual reflections from our presenters at Tantur.

Join our tour guides and lecturers for a week of deepening reflection and prayer.
